How to play:

1. Build up the tower.
2. Take in your turn a block from the tower while two rules apply: You're limited to use one hand and it's forbidden to take a block from the top three full rows.
3. Choose one of the two assignments on both sides of the block. If the block has been taken before, the person must take the other side. Then you have two options, do what it says or take a shot.
4. Put the block back on top of the tower.

5. Wait ten seconds, if the towers falls down you have to take 3 shots for penalty. If nothing happens it's the next player's turn.

Remind you're allowed to touch the blocks and turns go clockwise.

Note: When you get a 'Vote for' question, everyone has to raise their hand. Someone counts down from 3 to 1 and everyone has to point out to the person you vote for.
